For: GENETIC POLYMORPHISMS  
ASSOCIATED WITH STENOSIS, METHODS  
OF DETECTION AND USES THEREOF

Response to Office Action

**Response to Office Action**

Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This correspondence is in response to the Office Action mailed October 14, 2008 for the above-identified application. Although the checkbox in that Office Action Summary indicated that the Office Action was final, that was in fact a non-final Office Action as confirmed by Examiner Goldberg in a voicemail to Applicants on October 22, 2008. Further, the Office Action of October 14, 2008 stated that “the finality of the previous Office action has been withdrawn” (page 2, part 1).

**Claim amendments** begin on page 2 of this document.

**Remarks** begin on page 7 of this document.
